MESSAGE FROM THE PRINCIPAL

Dear Parents and Guardians,

I hope that you and your children are all healthy and safe. I would like to reach out and provide you with important information as we move forward during this very challenging time in our lives.

There has been no change in the date for the opening of schools. The date remains May 1, 2020. I would like to outline below some of the new directives our School Board has received from the Government:

1. Parents and staff access to schools and centres is not possible (to retrieve items or belongings) until further notice.
2. As of March 30th: A list of general educational activities will be made available to parents and students via the Ministry's website and school board websites. These activities are optional. These activities will not be graded, nor will they count for marks. Please visit the EMSB website: <https://www.emsb.qc.ca/>
3. All end of year Ministry exams are cancelled; and year-end grades for the final report card will be produced by the teachers, using their professional judgement based on term I and II grades.

Please read the communication by the Director General of the EMSB for more information.. [2020-03-29-communication-to-emsb-community.pdf](#)

Please email me if you have any questions or concerns at: gkoutsoulis@emsb.qc.ca

I wish you all good health
Take care

Mr. G. Koutsoulis, Principal
