CURRICULUM NIGHT/MEET THE TEACHER

Dear parents/guardians,

On Thursday, September 21 we will be holding our Curriculum Night right after the Annual General Assembly Meeting. The Annual General Assembly meeting will be held in the gymnasium from 6:00-6:45 p.m. Please see the accompanying letter.

The purpose of curriculum night is to meet your child's teachers and receive information on the curriculum content of the various academic subjects and the means of evaluation that will be used during the school year. Parents can proceed to visit their child's homeroom teacher during two scheduled time periods:

First Session: 6:50-7:30 p.m.

Second Session: 7:35-8:15 p.m.

Our specialists who are responsible for teaching subjects such as French, Physical Education, Science, ERC and Drama will be stationed in the library for you to meet with them. Teachers and other support staff cannot discuss the individual needs of your children. In other words, this is not an occasion for you to inquire about your child's progress. Should you have questions of this type, you must communicate with your child's teacher either through the agenda or by email. We look forward to seeing you.

Mr. G. Koutsoulis, Principal
Ms. Jennifer Martins, Vice-Principal
